

PALEO

The Initiation Rite

A new generation has grown up. Today is their big day: The four aspirants each have to pass a test in order to become a full member of the tribe.

IMPORTANT!

This module can only be played together with the Paleo base game. It is designed for players who are new to the game. Together with Module A or B, it is an alternative to Level I. With minor adjustments, the Initiation Rite provides enough challenge for advanced players as well.

LEVEL SUGGESTIONS

Just like any other module, this one can also be combined with other modules.

ALTERNATIVES TO LEVEL I OF THE BASE GAME

Module (A) + (L)

Module (B) + (L)

PARTICULARLY EXCITING COMBINATIONS

Module (D) + (L)

Module (D) + (J) + (L)

Module (F) + (L)

MODULE L

THE INITIATION RITE (17 Cards) – Difficulty: Easy

Prepare the aspirants for the tests as quickly as possible!

- Mission card L
- Secret card 9
- 4 aspirant cards
- 2 dice

INCREASE THE LEVEL OF DIFFICULTY

If you already know Paleo well, you can easily **increase the difficulty to: Medium**. Take the **3 cards** with the backs  (dream) from this module and put them back in the box.

You will only need these cards for the difficulty level: Easy.

ADDITIONAL SETUP

The 4 cards: "Young Warrior", "Young Scout", "Young Crafter" and the "Natural Talent" are the **aspirants**. Divide all 4 aspirants equally among all players. So with three players, one player receives one more aspirant than the others. Add these cards, with the blue side up, to your groups.

Aspirants

Then each player draws **2**  (humans) as usual and adds them to their group as well.

! You are not allowed to turn over the 4 aspirant cards or look at their green backs yet.

ADDITIONAL RULES

Whenever you receive a tool token that is depicted on an aspirant card, you may place it on that card (see page 12 in the base game rulebook).

If other cards allow you to place tools on aspirants, you may only do so, if the tool is shown on that card.

Example: Place a tool token on the "Natural Talent"

You can place exactly 1 torch, 1 spear and 1 stone axe on the "Natural Talent".

- **Special case:** When you set up the game, you get your humans after you have added the aspirants to your groups. So if you receive a  (torch) from one of these humans, you can also place it directly on the "Young Scout"  or the "Natural Talent" , if they are also in your groups.
- The tools placed on the aspirants **can no longer be used**.
You may only use them for certain actions of special cards.
- The 4 aspirants do **not need to be fed** and **cannot receive wounds**. They do not count as  (humans).

NEW SYMBOLS AND ACTIONS

TEST CARD

This module contains 4 test cards with a stone symbol on their back.

DISCARD FROM "YOUNG WARRIOR"

You must discard 2 spears from the aspirant "Young Warrior".

DISCARD FROM "YOUNG SCOUT"

You must discard 2 torches from the aspirant "Young Scout".

DISCARD FROM "YOUNG CRAFTER"

You must discard 2 stone axes from the aspirant "Young Crafter".

DISCARD FROM "NATURAL TALENT"

You must discard 1 spear, 1 torch and 1 stone axe from the aspirant "Natural Talent".

FLIP ASPIRANT CARD

Flip the shown aspirant card (here the "Young Scout") to the green back side.
This turns it into a human.

Special case: If there are still tool tokens on an aspirant card when you flip it, simply add them to your group.

DEMONSTRATE ABILITIES

You must have the required number of abilities (6 in this case).

You may use any combination of the 3 abilities.

CHEATING

You may use this card during a test, to roll 1 die. According to its result the rolled die reduces the number of required tool tokens. After you have rolled the die, the card "Cheating" is removed, regardless of whether you were able to use the effect or not.

Example: Cheating

If you roll 1 skill , you may remove 1 stone axe fewer, on your revealed test.

Stone axe

OVEREAGER

As with other actions, another player may help you. They can reveal the next (test) from their deck and perform it together with you.

PREPARATION

Look at any 1 card from your entire deck without performing an action. You do not have to choose one of the top 3 cards. Then you must return this card face down to any position in your deck.
